

## Expoforum

2nd International scientific expert forum “RESOURCES FOR GROWTH. CHEMISTRY FOR LIFE: STATE AND BUSINESS”  
 2nd International exhibition of professional and household chemistry, cosmetics and personal care products  
 CHEMICOS-2019

Annual award in the sphere of consumer chemistry and cosmetics ChemiCos Unique

## February 27 – March 1, 2019, Crocus Expo IEC pavilion 2, halls 9, 10, 11

The International Expoforum which comprises the 2nd International scientific expert forum “RESOURCES FOR GROWTH. CHEMISTRY FOR LIFE: STATE AND BUSINESS”, the 2nd International exhibition of professional and household chemistry, cosmetics and personal care products CHEMICOS-2019 and the Annual award in the sphere of consumer chemistry and cosmetics ChemiCos Unique will take place from February 27 to March 1, 2019, at Crocus Expo IEC.

**Partner of the Expoforum:** SIBUR Holding PJSC

**With the support of** the Ministry of Industry and Trade of the Russian Federation, the Russian Union of Industrialists and Entrepreneurs, the Russian Federal Service for Surveillance on Consumer Rights Protection and Human Wellbeing, Mayer Corporate Group, the Russian Chemists Union, the Scientific and Technical Center “CHIMVEST” of the Ministry of Industry and Trade of the Russian Federation, the Research Institute for Household Chemistry “ROSSA”, the Retail Companies Association and the Association of perfumery, cosmetics, household chemicals and hygienic goods manufacturers.

The International forum “[RESOURCES FOR GROWTH. CHEMISTRY FOR LIFE: STATE AND BUSINESS](#)” is organised by the Ministry of Industry and Trade of the Russian Federation with an objective to **discuss the development of household chemistry manufacturing in the Russian Federation and to evaluate the current situation in the subsector**. Within the framework of the spring 2019 forum specialists and experts in the sphere of household chemistry will discuss the draft project of the road map on the development of surfactants, synthetic cleaning agents and household chemistry products by 2030.

### KEY EVENTS OF THE 2019 FORUM:

- Prize-giving ceremony for winners of the award in the sphere of consumer chemistry and cosmetics ChemiCos Unique ([awards will be presented by members of the Award Council](#))
- Round table “Technical regulation in the sphere of consumer chemistry. Prospects by 2030”
- Conference on the development of surfactants, synthetic cleaning agents and household chemistry products by 2030
- Round table “Development paths of retail sales in the new reality”
- Round table “Green chemistry and raw materials for its production”
  - “Development of components for green chemistry”. Application during the production of consumer chemistry
  - “Implementation of the concept of sustainable development during the production of consumer chemistry
- Round table “State support measures. Funding of foreign economic activities”

- Conference of the Research Institute for Household Chemistry “ROSSA” – [“Global tendencies on the market of professional and household chemistry. Experience in the development of formulations and technologies”](#)
- Round table of the Scientific and Technical Center “CHIMVEST”

#### Co-organisers of round tables:

- Ministry of Industry and Trade of the Russian Federation
- Federal Service for Surveillance on Consumer Rights Protection and Human Wellbeing (Rospotrebnadzor)
- Russian Register of Potentially Hazardous Chemical and Biological Substances of Rospotrebnadzor
- Federal Agency on Technical Regulation and Metrology (ROSSTANDART)
- Eurasian Economic Commission
- Russian Union of Industrialists and Entrepreneurs
- Autonomous Non-Profit Organization “Russian Quality System”
- Russian Export Center
- Russian Chemists Union
- Retail Companies Association
- Association of perfumery, cosmetics, household chemicals and hygienic goods manufacturers
- Scientific and Technical Center “CHIMVEST” of the Ministry of Industry and Trade of the Russian Federation
- Russian Federal Service for Accreditation
- Industry Development Fund
- Russian Small and Medium Business Corporation
- Mono-City Development Fund
- Companies Vyazemsky Plant of Synthetic Products, Stupino Chemical Plant, Procter&Gamble, Nefco JSC, NORCHEM, SIBUR Holding, EFKO Cosmetics, Group of Companies “Titan”, PhosAgro Group, Faberlic, BASF (Rossa) and Nouryon (Rossa).

#### [DOWNLOAD THE FULL PROGRAMME](#)

Russian and foreign manufacturers, developers and suppliers of chemical production, technologies and innovations for household and professional chemistry and cosmetics will present their products at the 2nd International specialised exhibition of professional and household chemistry, cosmetics and personal care products [CHEMICOS-2019](#).

The exhibition is organized by Corporate Group Mayer with the official support of the Ministry of Industry and Trade of the Russian Federation, the Russian Union of Industrialists and Entrepreneurs, the Russian Chemists Union and the Research Institute for Household Chemistry “ROSSA”.

#### Product sectors:

- household chemistry
- professional chemistry for cleaning, restaurants and hotels
- production of cosmetics
- raw materials and ingredients for the production of professional and household chemistry and cosmetics
- packaging
- contract manufacturing and products of own trademark
- production of sanitary and hygienic product
- eco and bio products

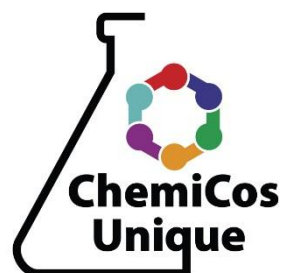

**Among participants of the exhibition** are: Aromat, Vyazemsky Plant of Synthetic Products, Group of Companies “Titan”, Russian Small and Medium Business Corporation, [Nefco JSC](#), [SIBIAR](#), Retail Companies Association, Association of perfumery, cosmetics, household chemicals and hygienic goods manufacturers, “Raw materials and packaging” magazine, Stupino Chemical Plant, Faberlic, Aminohim, [BioMicroGels](#), [Gross](#), [EFKO Cosmetics](#), Kubanbithim, Lanix M, SARNII, NORCHEM, Procter&Gamble, [Rosinka](#), the Research Institute for Household Chemistry “ROSSA”, Russian Paper All Production, Saraya CIS, [StarTrade \(Starwax\)](#), Tereza-Inter, Tornado Dent, Telko, CHEMRUS, [EXPERTECOLOGY](#), the Scientific manufacturing enterprise NIIPAV, SIBUR Holding, RuHim portal, the Russian Federal Service for Accreditation, the Russian Union of Industrialists and Entrepreneurs, the Russian Chemists Union, the Russian Federal Agency on Technical Regulation and Metrology, Aromika, the Russian Register of Potentially Hazardous Chemical and Biological Substances of the Russian Federal Service for Surveillance on Consumer Rights Protection and Human Wellbeing, the Scientific and Technical Center “CHIMVEST” of the Ministry of Industry and Trade of the Russian Federation, the Russian Federal Service for Surveillance on Consumer Rights Protection and Human Wellbeing, Mono-City Development Fund, Industry Development Fund, BASF, Nouryon, Lori Fragrances, the Russian Quality System and others.

You may learn about the novelties of household chemistry to be displayed at the exhibition on the website [www.expo-retail.ru](http://www.expo-retail.ru).

**ChemiCos Unique** Award was established by the Ministry of Industry and Trade of the Russian Federation at the initiative of Russian manufacturers of household chemistry and personal care products within the framework of the Expert forum “Resources for Growth. Chemistry for life: state and business”.

The award is focused on industrial enterprises that aim to manufacture popular, safe and eco-friendly products meeting the highest quality standards.

The prize-giving ceremony will take place on February 27 within the framework of the forum “RESOURCES FOR GROWTH. CHEMISTRY FOR LIFE: STATE AND BUSINESS”.
